DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Cancellation of withdrawn claims 36-83.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Applicant has argued that claims 36-83 should be treated under PCT lack of unity rules. Applicant did not claim these particular claims 36-83 in the parent PCT application, nor were these claims included in the initial set of claims submitted with the present US application. Unity of invention may only be claimed when application had the claims as original claims in both the PCT and US applications, since such is not the case, the requirement to withdraw and cancel the claims is made final.
